

## **Protocol 13 - June 29, 2020**

### **1 Time and duration of the meeting**

11:00-13:30

### **2 Attended Persons**

Johanna, Luca, Niklas, Sebastian, Simon, Yasmin

### **3 Discussed Topics**

- We needed to make a new work plan and schedule our advisor meeting
- Yesterday, we found out that we misunderstood the functionality of Firebase and had to adjust our documents accordingly

### **4 Conclusions**

- We scheduled an advisor meeting for Wed. 10:30
- We tried to understand the firebase login process together
- We created the new work plan and uploaded it to git
- We decided to meet again after the advisor meeting to discuss how we want to proceed

### **5 New tasks assigned to each person**

- Niklas - Write a slack message asking for the meeting timeslot
