

Protocol 4 - May 11, 2020

1 Time and duration of the meeting

15:00-15:20

2 Attended Persons

Johanna, Luca, Niklas, Sebastian, Simon, Yasmin

3 Discussed Topics

- Current progress and what we are going to do next
- We agreed that Sebastians work on the System Requirements (3.4) was to our liking

4 Conclusions

- We will meet again on Friday, 12:00 pm so we can get a look at more finished work and put it together

5 New tasks assigned to each person

- Everyone should do the tasks assigned to them in the project plan table until our next meeting. Other than that, nothing out of the ordinary.
